## Bio

Driven by a relentless and unstoppable passion for music, London-based Afrobeats DJ, DJ Chillz is an emerging talent in serious demand. A born perfectionist, striving to promote up and coming artists, DJ Chillz has already gained props from industry heavy-weights including: Gfrsh, Lethal Bizzle, Krept and Konan, and Lion Babe.

This talented DJ bring a wealth of experience to any club, mixing her own distinct and individual sound. DJ Chillz is able to merge together the rising sound and rhythms of Afrobeats with those familiar Hip-Hop classics, to always create an unforgettable experience for her audience. To truly witness a set by DJ Chillz is to go on a remarkable journey where you lose yourself in the music and you are completely in sync with everyone around you.

DJ Chillz has had the privilege of performing at some of the world's most renowned & infamous festivals, events, clubs and shows. One of the most pivotal moments in career was Chillz's performance at Wireless Festival. Other highlights include her set at Heidi Klum's New Balance Launch. Currently resident DJ to some of London's hottest clubs and events: Counter, Tiger Tliger, Bootylicious, Lush, Urban World Pride and Jump-off. DJ Chillz is definitely an emerging talent to be reckoned with and creates an experience you just have to witness.
